Todd Evans

Software Engineer

evansmtodd@gmail.com   LinkedIn   GitHub

Profile

Transitioning from psychology to software development to find a role which capitalises on my love of problem-solving, learning new skills, and working with tech. Eager to bring my experience in people-focussed roles to work on client-focussed software in collaborative teams.

Tech Skills

- JavaScript
- React
- HTML5/CSS3
- Ruby
- Ruby on Rails
- GraphQL
- TailwindCSS
